Georgina Chapman shares, "I am thrilled to introduce the Muse by Marchesa collection for Dillard's. This line explores the space where couture meets ready-to-wear, with a distinctly feminine and modern romantic aesthetic. The designs are timeless, sophisticated, and meticulously crafted, featuring beautiful details and flattering patterns. Drawing inspiration from Marchesa's rich heritage and iconic couture pieces, while also embracing a forward-looking approach, we've created a collection that captures attention and is meant to be treasured for generations. Dillard's has been an ideal partner in bringing this vision to life, and we

couldn't be more proud of the result."

Dillard's Vice President of Merchandising Alexandra Dillard Lucie adds, "Georgina Chapman is a true icon in fashion. She has beautifully carried the gorgeous couture design elements of her highly revered Marchesa line to Muse by Marchesa specifically for Dillard's customers. Her creations for Muse evoke the tremendous delight in dressing up and feeling beautiful - and will certainly be timeless wardrobe classics by all who enjoy them. We are deeply honored to have worked with Georgina on Muse by Marchesa, and our customers already love it!"

Currently available in 99 Dillard's locations and online at dillards.com, Muse by Marchesa incorporates the couture sensibility and signature opulence with which the Marchesa name has become synonymous. The collection exudes Marchesa's iconic artistry through high fashion designs and unique textural elements including embroidery, three-dimensional fabrication, and stone and jewel encrusting.
