About Shea Leigh Mills

In her own words, Shea shares her story: *"Two weeks after high school graduation, I packed up my small-town-life in Southern Illinois & made the big girl move to Nashville, Tennessee. I decided to study Radio & Television Broadcasting in college, as well as work multiple jobs to support myself on my own. From making smoothies, nannying, working retail, acting, & modeling, my life never had a dull moment. As time went on, I began focusing more on things I loved: Jesus, fashion, photography, & pure happiness of life. After many failed attempts at starting a blog, I decided it was time to bite the bullet. I woke up, grabbed a BIG cup of coffee, & here I am! While making my posts short, sweet & to the point, I hope to keep you all entertained & up to date with what I am doing, wearing, & learning along the way."* Follow Shea's blog at dailyshealeigh.com and on Instagram @shealeighmills.
